Winchester Fire Department
32 Mt. Vernon Street
Winchester, MA 01890

Dear Winchester Fire Department:

We know the last few months have made it harder than ever for people to connect in support of worthy causes and vital community initiatives. At Winchester Savings Bank, our employees are used to taking part in volunteer opportunities that get them engaged and working together with a shared purpose, but that hasn't been possible this summer.

So in the last few weeks, Winchester Savings set up a voting system and asked employees to select a local organization to which the Bank would make a donation. More than 60 votes were cast, spread among 24 recipients! Each vote carried $25 of "giving power" resulting in total donations of more than $1500.

Winchester Fire Department was among the places our employees wanted to benefit from this internal project, and we are happy to include this check for $100. We hope it helps while you continue to do important work in our community.

Sincerely,

Peter J. Segerstrom
President & CEO
