

## **Town Government Mission Statement**

*Adopted by the Board of Selectmen on March 6, 2006*

The Mission of Winchester's Town government is to be the most efficient and cost effective provider of quality municipal services in Massachusetts: talented, dedicated employees and citizen volunteers, together building a caring and connected community.

### **Our Guiding Principles:**

- We value our employees
- We value leadership and excellence at every level of government
- We have a culture of accountability
- We are committed to communication and public participation
- We treat Winchester's citizens and businesses as our valued customers
- We work smart and have fun
