I. COMMUNICATIONS AND WORKING GROUP REPORTS

To: Select Board
Cc: Lisa Wong
Re: **WinPower Bid Process & Vote**
Date: May 8, 2019

What:

The WinPower community choice electricity aggregation contract ends on 12/31/19. A new contract would be based on a new bid for supply. Good Energy, our broker for WinPower, will run a bid process for the next supply contract.

The Select Board will need to vote the authority for Lisa Wong, Town Manager, to accept or reject a bid on behalf of the town residents. Should the bid be accepted, the Town Manager will need to have the power to sign the contract.

When:

Bid will likely run on Wednesday, May 29th, with a two hour window to accept or reject the bid.

Why:

WinPower has provided a stable price for electricity supply for our residents for thirty months with savings to date of \$1.7 million. Our goal is to save money for residents and provide stable pricing. We cannot guarantee savings because the utility changes price every six months. We can work to get a strong rate for a longer period of time and are hoping for 36 months.

WinPower is also a win by providing five percent additional renewable energy above the state renewable portfolio standard. It is our goal to maintain at least the plus five percent and hopefully add more renewable energy, while also providing value and stability.

ARBOR DAY

- Whereas, In 1872, J. Sterling Morton proposed to the Nebraska board of Agriculture that a special day be set aside for the planting of street trees, and
- Whereas, the holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and
- Whereas, Arbor Day is now observed throughout the nation and world, and
- Whereas, the Town has created the Peter T. van Aken Street Tree Gift Account, and
- Whereas, the Town was awarded the "Tree City USA" designation in 2013 by the National Arbor Day Foundation, in recognition of our commitment to our urban forest, and
- Whereas, trees have aesthetic appeal, contribute to the distinct character of certain neighborhoods, improve air quality, provide glare and heat protection, reduce noise, aid in the stabilization of soil, provide natural flood and climate control, create habitats for wildlife, provide traffic calming, enhance property values and provide natural privacy to neighbors

NOW, THEREFORE, I, Mariano Goluboff, Chairman of the Select Board, along with the members of the Select Board of the Town of Winchester, Massachusetts, do hereby proclaim June 1, 2019 as:

ARBOR DAY

In the Town of Winchester, Massachusetts, and I urge all citizens to celebrate Arbor Day and to support the efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well being of this and future generations.

Dated This ____ Day of May in the Year 2019

Recommendations to regulate special one-day licenses to serve alcohol on public property in order to reduce youth access to alcohol and prevent underage drinking

Given that high school age youth in Winchester have higher underage drinking rates (34.3%)¹ than the state (31.4%)² and national (30%)³ averages, and higher than the Middlesex League average (32.8%)⁴, we must enact strict regulations to protect youth access to alcohol and prevent underage drinking. The following are best practices for one-day events:

- Alcohol sales, service, and consumption must be in a designated, closed-off location.
 - Designated alcohol service and consumption area must be at least 500 feet from youth-oriented spaces like schools, playgrounds, and churches.
 - An alcohol industry name or product is prohibited from being associated with or displayed at the event. (limits alcohol advertising which is best practice in reducing underage drinking). This excludes a mobile truck of a manufacturer that serves malt beverage (beer), at a permitted event directly to consumer.
 - There must be 1 person, 21 yrs. or over, designated in charge of alcohol service during the event. This person must be named on the one day application.
 - Alcohol servers must be age 21 or over.
 - All servers of alcohol will have completed an alcoholic beverage server training program, such as that required for restaurants and lounges and provide the Town with updated certificates. Certificates will be made available to the Town prior to event
 - Servers will be given a copy of alcohol policies before serving alcohol and will be informed of all enforcement procedures for all policies.
 - Stamps, or other non-transferable identification, must be used to identify people who are 21 and over.
 - Mandatory checking of identification for every sale.
 - Limit the number of servings per person per purchase to two.
 - Mandatory offering of non-alcoholic beverages.
 - Use cups for alcoholic beverages that are easily distinguishable from non-alcoholic beverage cups.
 - Stop alcohol service at least one hour before closing.

Subject: Re: 1 day license - beer garden

Hi Jen

I have spoken to Allan Eyden, and Laura Fitzgerald. The police will be providing an additional detail dedicated to the Beer Garden. The area will be cordoned off and all required ABCC conditions met is my understanding.

That being said the police have no objections to the beer garden.

Chief,

Can I please have your comments on the attached 1 day license for a beer garden at Town Day?

Thanks –

Jenn

Subject: Re: Town Day Beer Garden

Hi Jen,

That was on my schedule for this morning!

Area is planned to be 30' x 30', containing 6 high top tables and 6 tables of 8 with chairs. The area will be on the closed section of Main Street between Thompson St., and Converse Place. It will be roped off with stanchions and white chains, with a single point of entry/exit.

We had a great meeting yesterday with Chief Macdonnell, to review the protocols. Main Street, of course is closed all day from the rotary to MVP. We will just move blocking vehicles down to keep that block closed until after fireworks. "Road Closed" signs will be placed at the Parkway to stop traffic turning onto Main. This will leave Thompson St. and Converse open for traffic flow and for China Sky.

We are hiring a police detail officer for the evening to monitor the Garden. Jim has said he will have a couple of staff members monitoring consumption at all times, and will use a wristband to indicate who has had their ID checked for over 21. He may have a grill and music to enhance the atmosphere.

We have been trying to reach out to Cafe Nero to see if they can offer coffee and dessert to complement the Garden. Laura Fitzgerald (my co-chair) and I are excited about the potential to add a festive new element to Town Day and hopefully bridge the time between the daytime activities and the fireworks.

Laura and I were planning to attend the Select Board meeting on Monday night to answer any other questions.

Allan
