Winchester School Committee Meeting

- A. Purpose (2) to discuss strategy with respect to negotiating non-union administrative contracts because to do so in open session would be detrimental to negotiation, AND
- B. Purpose (3) to discuss strategy with respect to collective bargaining with the Winchester Education Association because an open meeting may have a detrimental effect on the bargaining position of the Committee.

The Committee will not be taking any public action as a result of the executive session and will therefore not be reconvening in open session for adjournment.

VIII. Adjournment (around 6:30 PM)

The above topics represent what the Chair of the Winchester School Committee reasonably anticipates will be discussed at this meeting at the time this meeting was posted.
