RE: Eversource Grant of Location Petition – Wedgemere Avenue

The Engineering Department and DPW have reviewed the Eversource Grant of Location Petition for Wedgemere Avenue. The proposed work includes the installation of approximately 18-feet of conduit within the public right-of-way, and will require repair of the Town-owned sidewalk and grass strip. The improvements are necessary to provide underground electrical service to the residential home at 33 Wedgemere Avenue.

We find this petition to be acceptable subject to the following conditions:

- The petitioner must meet and satisfy all conditions of Exhibit A (attached);
- Installation shall be subject to the Town's Street Opening moratorium, which runs from November 15th through April 15th, at the discretion of the DPW Director;
- The conduit shall be installed by open excavation only (no tunneling);
- All underground utilities shall be adequately protected;
- All town-owned utilities shall be relocated at the applicant's expense, as needed;
- The conduit shall be installed/inspected by Eversource and duly recorded with Dig Safe.

Attachment: Exhibit A – Town of Winchester Grant of Location Requirements

TOWN OF WINCHESTER
GRANT OF LOCATION – EXHIBIT A

Public Utility: Eversource
Location: Wedgemere Avenue

Grantee(s) shall apply for and obtain a Street Opening Permit from the Winchester Department of Public Works, (781-721-7100).

Said Grantee(s) and/or any sub-contractor employed by the grantee(s) shall indemnify and save the Town harmless against all damages, costs and expense whatsoever to which the Town may be subjected in consequence of the acts or neglect of said Grantee(s), its agents or servants, or in any manner arising from the rights and privileges granted by the Town. The foregoing is with respect to activity in, over or under public ways and public property.

Grantee(s) shall execute a bond in a penal sum of five thousand dollars (\$5,000.00) (a bond already on file with Town may be used if and only if said bond by its terms is applicable to the work hereby authorized), conditional on the faithful performance of its duties under this permit including without limitation compliance with lawful state and local laws and requirements.

Said Grantee(s) shall comply with the requirements of all state laws and regulations, to the extent applicable, including but not limited to Massachusetts Dig-Safe Requirements, MGL c. 82, sections 40A – 40D; the Massachusetts Excavation and Trench Safety Law, MGL c. 82A, s. 1 et al, and Town of Winchester by-laws, Board of Selectmen and Department of Public Works reasonable regulations and requirements including Town of Winchester Rules and Regulations Regulating Street Excavations, and such other reasonable rules and regulations as may hereafter be adopted governing the construction and maintenance of conduits and wires, and work in and use of the rights-of-way within the Town, so far as the same are not inconsistent with the laws of the Commonwealth.

In work involving excavation of more than 100 feet of any public way, Grantee shall exercise best efforts to notify all abutters served and impacted by the work within 72 hours prior to commencement of said work.

Grantee shall comply with traffic management and police detail requirements as stipulated in the street opening permit or as otherwise lawfully required by the Winchester Police Department.

All Town-owned services located in, or serviced from this location, shall be re-connected without any cost to the Town in accordance with Town of Winchester requirements and standards.

All disturbed areas must be returned to the same condition in which they were found before the excavation.

Grantee will upon request of the Town, provide to the Town, plans kept in the ordinary course of business reflecting the location of Grantee's facilities in a particular area; and if Town has compatible GIS data exchange, Grantee will periodically exchange its data base on facility locations via GIS data exchange.

Grantee(s) acknowledges and agrees to the Town of Winchester roadway construction moratorium between November 15st and April 15st, except for emergency situations. If emergency status is granted to permit work during the winter moratorium, the grantee(s) and/or contractor must secure the area by sunset each working day, and shall secure the roadway to allow snow plowing and salting and to avoid any flooding. All roadway paving must be maintained during the winter months until permanent repairs can be made.

Upon reasonable request of the Department of Public Works, Town Engineer or Police/Fire Departments, Grantee shall meet with Town designees prior to commencement of construction to discuss Town right-of-way management, public safety matters, street restoration, work standards and related matters if and as needed.

Conduit shall be installed by excavation and not tunneling.
