Dear Selectmen:

As per the Winchester Cultural Council's process, here is my Letter of Interest for joining the Council. My qualifications are:

A corporate career in instructional systems design, book publishing, corporate training, newswriting, teaching and editing, special emphasis on **project management** and customer satisfaction **among disparate stakeholders**.

New England Society of Botanical Arts president for four years during which I led a team that organized exhibits, member programs, art retreats, and the creation of our first website. www.NESBAartists.org.

From the Mountains to the Sea **exhibit organizer**, for which I obtained an American Society of Botanical Arts (ASBA) grant to help pay for a **traveling juried exhibit**, paintings of native New England plants. I procured six venues for the exhibit which was on the road for 15 months. This included organizing opening receptions at each venue, including Montshire Museum of Science in VT, the Coastal Maine Botanical Gardens in Maine and the Duxbury Art Complex.

Exhibit catalogs: Published two during my tenure as NESBA president.

Columnist for the ASBA quarterly journal, **interviewing artists** from all over the world for my "Conversations with our Artists" column.

Additional exhibits organizer: NESBA exhibits yearly at the Boston Flower Show (not as a vendor but as a paid exhibitor). In addition I've organized small venue exhibits including one coming up at the Massasoit Community College to inspire scientific illustration majors.

Botanical artist.

Wright-Locke Farm Awareness committee organizer

Town Meeting Member

Peace Corps volunteer and ongoing community activism although what have I done for anybody lately? Hence this letter of interest. I can provide a more complete resumé if that would be useful, and I do look forward to helping out with our town's many cultural organizations and events.

Sincerely,

Joyce Westner

Members of the Board of Selectmen:

I am writing you to express my interests in becoming a member of the Winchester Cultural Council. I have been very active in Winchester since the 1990's, and believe I would have a positive impact on the Council.

My experience includes, member of the Winchester Finance Committee for five years 1995-1999, Winchester Library Board of Trustees from 1999-2010 and recently became a Town Meeting member, after previously being a member for 15 years. In addition to town activities, I am the past Treasurer of the Winchester Historical Society, and current Treasurer and Board member of the Winchester Jumelage since 1999.

Your favorable consideration would be greatly appreciated.

Thank you,

Kevin J. Drum
