MEMORANDUM

September 22, 2016

TO: Board of Selectmen

FROM: Richard C. Howard, Town Manager 

SUBJECT: Proposed Town Center Parking Plan Changes

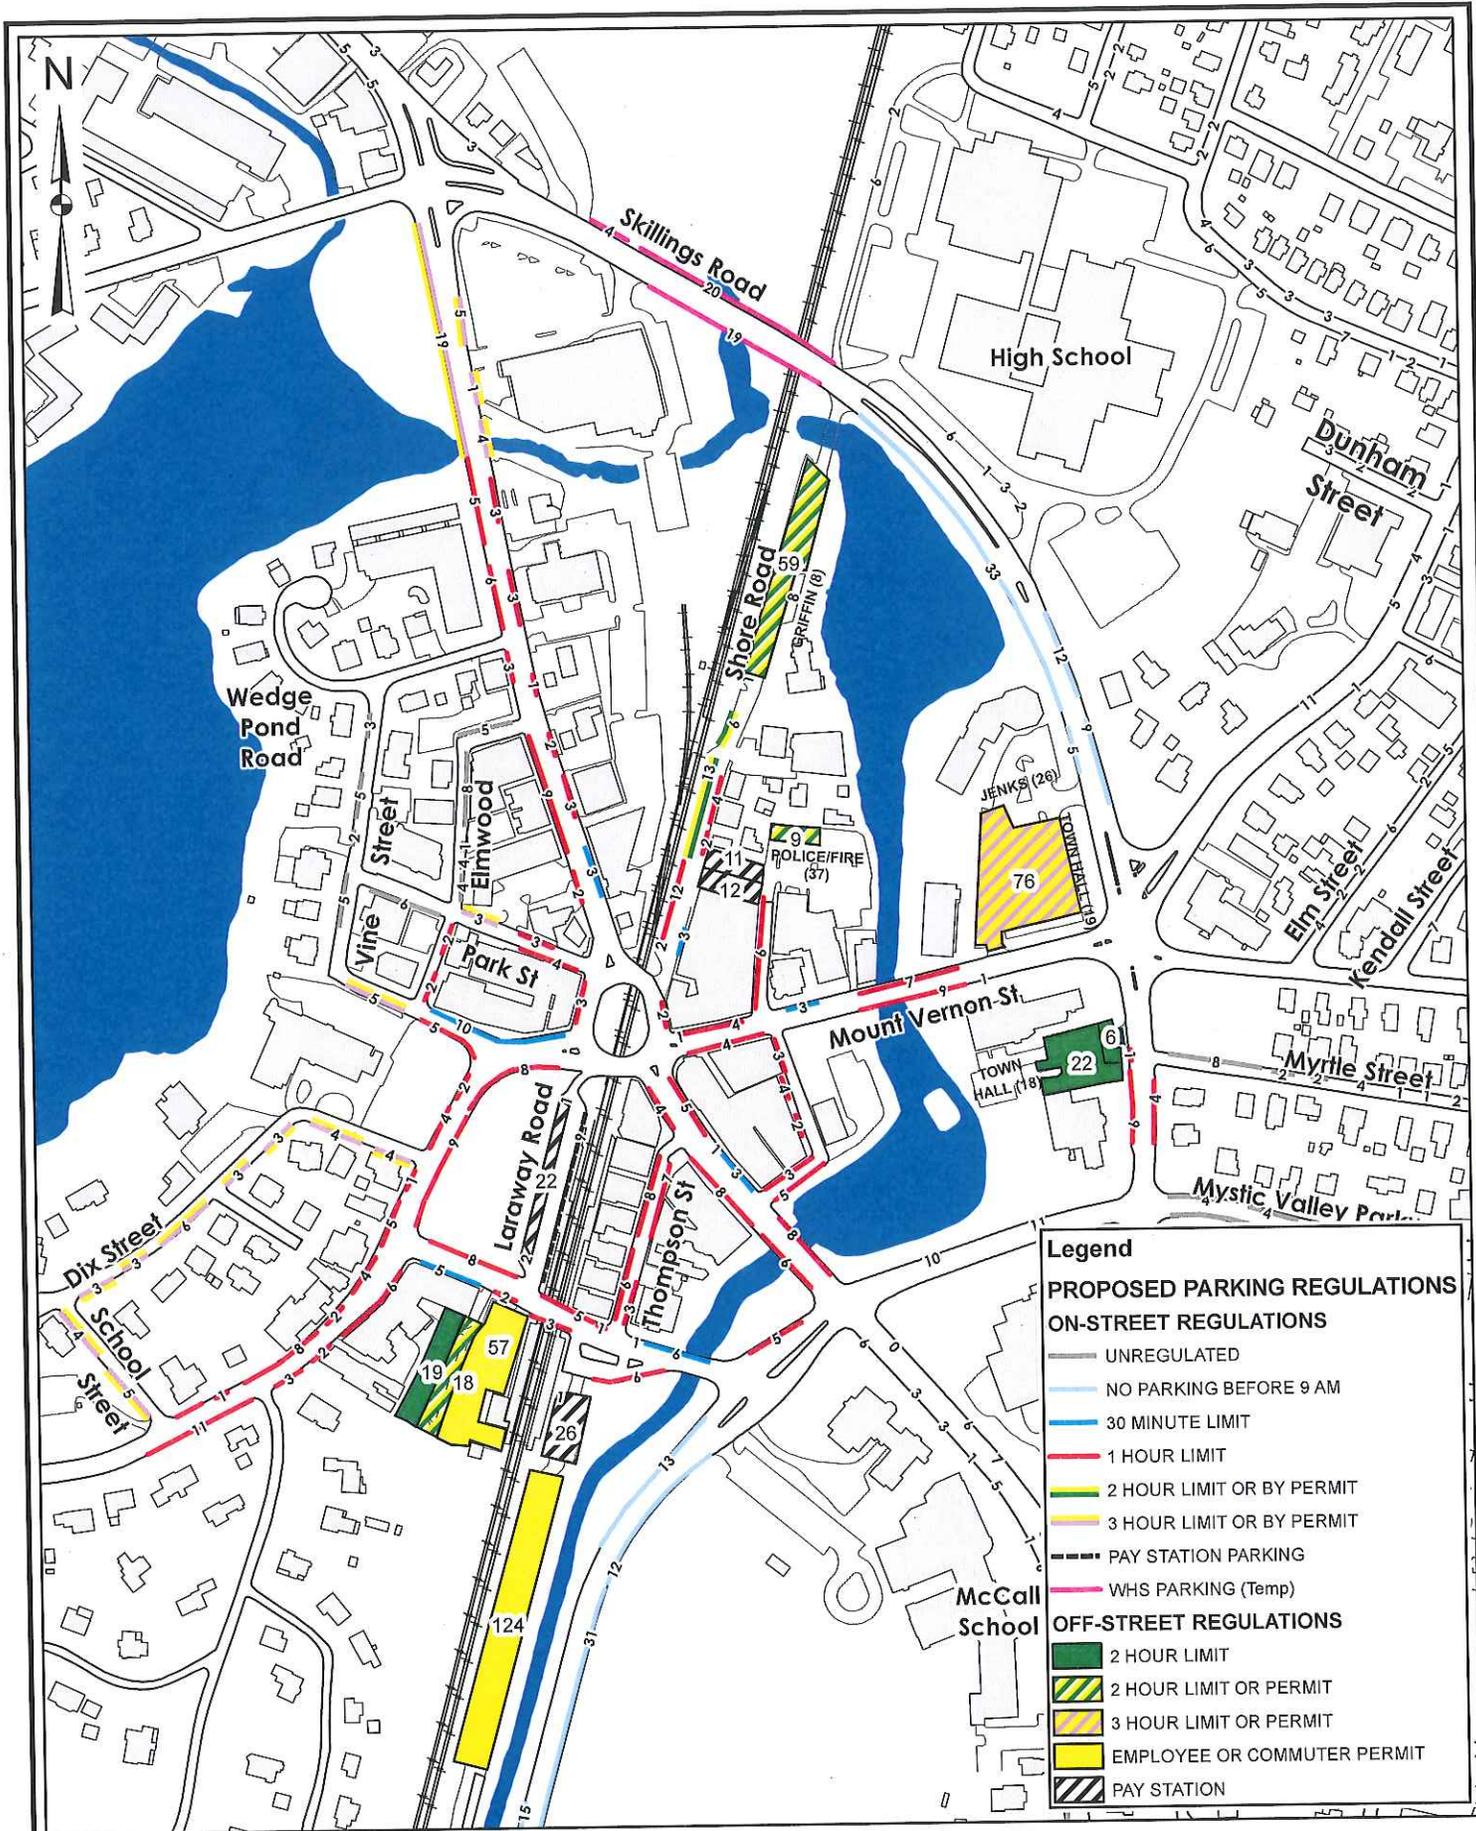

The Winchester Chamber of commerce has requested that the parking regulations for eighteen (18) spaces in the Upper Waterfield Parking Lot currently designated as "2-Hour Limit or Permit" (see the attached plan) be changed to the "2-Hour Limit".

You may recall that we made some changes to this area of the lot when expanding the "early bird" permit numbers for this lot. At that time, these spaces were re-designated to allow for permit parking, and we stated that we would observe the activity there to determine if the changes work to accommodate both short-term and permit parking. It appears that the row is almost exclusively used daily for all day permit parking leaving little or no short-term customer parking opportunities.

The change back to the "2-Hour Limit" will correct that circumstance.
