Dear Mr. Howard:

I am interested in continuing to serve the Town as Chair of the Cable Advisory Committee.

I believe that my current appointment expired on June 30 this year, and I would appreciate it if you would forward my name to the Selectmen for consideration for reappointment. I will be pleased to appear before them when they consider my reappointment.

Yours sincerely,

Dear Lance,

The Winchester Historical Commission currently has Michelle McCarthy and John Clemson serving on the Rangeley Heritage District Commission. John Clemson's term expires this year. He is currently the Commission member that has availability to continue to serve in this role and has noted an interest to continue to serve in this role. I would like to ask that the Board of Selectmen please place this on their agenda at your earliest convenience and reappoint John to the Rangeley Heritage District to serve another term.

Thank you,

Heather von Mering
