Dear Mr. Howard,

Congratulations! It is my pleasure to inform you that the Massachusetts Department of Environmental Protection (MassDEP) has awarded the Town of Winchester a Sustainable Materials Recovery Program Municipal Grant. The Town of Winchester will receive access to a mattress recycling program subsidized by MassDEP.

The Sustainable Materials Recovery Program (SMRP) was created under 310 CMR 19.300-303 and the Green Communities Act, which directs a portion of the proceeds from the sale of Waste Energy Certificates to recycling programs approved by MassDEP. The SMRP solicitation, issued April 4, 2016, offered funding to cities, towns and regional entities - as well as certain non-profit organizations that provide services to them - for recycling, composting, reuse and source reduction activities that will increase diversion of municipal solid waste and household hazardous waste from disposal. MassDEP received applications from 58 municipalities, regional groups and non-profits. With \$3.3 million in requested funds, the evaluation and award process was extremely competitive.

The terms and conditions of your grant are outlined in the attached document, which contains key November 9, 2016s and deadlines specific to your award. This information has also been provided to the municipal recycling contact copied below. Should you have any questions, please call Tina Klein at 617-292-5704.

Thank you for your commitment to advancing recycling and waste reduction in Massachusetts. Together our efforts will reduce greenhouse gas emissions, conserve natural resources and save energy, while also supporting jobs and reducing disposal costs for waste generators and municipalities.

Sincerely,

Martin Suuberg  
Commissioner
