Subject: Winchester Farmer's Market 2019

Hi Jennifer,

I am writing to you as the president of the Winchester Farmers Market Community Hub. We are pleased to be overseeing the running of the Winchester Farmers Market this season. Market Manager Fred Yen will continue to oversee the day-to-day operations of the weekly market.

We would like the market to run weekly during the summer and fall, from June 8th to October 26th, from 9:30am to 1:30pm on the Town Common. Could you please include this item on the Select Board's upcoming agenda?

Please feel free to contact me if you have any questions.

Best,
Amy Rindskopf
President
Winchester Farmers Market Community Hub
