Re: Saltmarsh Terrace Donation

Dear Ms. Mihelich:

On behalf of the members of Aberjona Post #3719 Veterans of Foreign Wars, we are pleased and honored to enclose our check in the amount of \$10,000.00 in sponsorship of the Sherman "Whip" Saltmarsh Terrace project.

As you may know, Whip is a Korean War veteran and has been a member of our Post for decades. Like so many others in Whips life, we can't even begin to add up all that Whip has done for the Post through his friendship and generosity. Whip is a champion for all veterans, a patriot, and above all else a true gentleman.

We look forward to the completion of the project and the dedication of the Sherman "Whip" Saltmarsh Jr. Terrace in the near future.

Thank you Whip for everything you've done for us over the years.

Pray for our troops and God Bless America.

Sincerely,

Aberjona Post #3719 VFW of the United States of America
