RE: Eversource Grant of Location Petition – Church Street

The Engineering Department has reviewed the Eversource Grant of Location Petition for Church Street. The proposed work includes the installation of approximately 23-feet of conduit within the public right-of-way, and will require repair of the Town-owned sidewalk. The improvements are necessary to provide underground electrical service to the home at 121 Church Street.

We find this petition to be acceptable subject to the following conditions:

- The petitioner must meet and satisfy all conditions of Exhibit A (attached);
- Installation shall be subject to the Town's Street Opening moratorium, which runs from November 15th through April 15th, at the discretion of the DPW Director;
- The conduit shall be installed by open excavation only (no tunneling);
- All underground utilities shall be adequately protected;
- All town-owned utilities shall be relocated at the applicant's expense, as needed;
- The conduit shall be installed/inspected by Eversource and duly recorded with Dig Safe.

cc: Jay Gill, DPW Director
