

WATER TECHNOLOGY, INC

Firm Overview

The WTI team is a highly qualified group of individuals comprised of creative architects, landscape architects, engineers, designers, business developers and administrators, all with a passion for aquatics. Together, we combine our talents to develop original, aquatic facilities from concept to reality. In addition, WTI maintains solid relationships with other consultants and contractors and continues to set the standards in the aquatic industry across the United States and around the world. WTI has completed hundreds of successful projects for school districts, swim clubs, and competitive venues. We understand the importance of providing programmable space, fast water, and clean air for swimmers and spectators.

PHILOSOPHY

Water Technology, Inc.'s (WTI) creative energy and passion embraces the philosophy that aquatic recreation completes campuses and makes them a better place to live.
