Dear Board of Selectmen,

On behalf of all of us at the Glen Doherty Memorial Foundation, we are requesting to hold our 11th annual 5K and 10K race through the town of Winchester. This race is a fantastic day not only for our charity, but for all our supporters in the town of Winchester and beyond. As many of you know, the Glen Doherty Memorial Foundation was set up to raise funds for scholarships to the Special Operations community and all net income from this race will go towards continuing our mission. We are so grateful for the town's support which helps make this day such a success; from the Police and Fire departments, Town Hall employees and attendees, we feel the support and can't tell you how much we appreciate it. For 2023, we are requesting Sunday, September 24th with a 12PM race start time. As we have done in past years, we would like to begin and finish the race at the Jenks Center. Below is a link to the proposed course (unchanged from 2022).
