Can you ask the SB if they would approve a spot for a Book Ends author on May 13th near their stairs? Please see the reasoning below.

Thanks –
Jenn

The event is at 11am, so ideally 10am-1pm!

Hi Lauren,

I'll ask the Select Board if they are willing to let you reserve a space. What time would you need you need the space?

Thanks –
Jenn

Sorry, one more question -- who should I reach out to regarding reserving a parking spot in front of the store for an author event? On May 13 we have an author coming with her service dog; she was severely injured in the Boston Marathon bombings and can handle the stairs with assistance but we'd like limit how far we're asking her to walk.

Awesome, thanks for this!!

Follow up question to our discussion yesterday — I know you said there are plenty of restaurant beer/wine licenses available, but what about package stores? Can one business hold both? My ultimate dream is to have a tasting counter where we serve wine by the glass, but I'd also love to sell bottles for folks to take home — especially if they like what they just tried! Could do some really cool book and bottle gift ideas, plus for me buying wholesale, I'll get a much better rate if I buy by the case. At this point all of this is just aspirational, but I'm starting to work on budgeting for the next few years to get us to where we want to be!

Please let me know if you have any questions!
