

Town of Winchester

Michelle A. Tassi, Human Resources Director
Disability Access Commission

Dear Business Partners, Supporters, and Winchester Residents:

April is Autism Awareness Month and World-Wide Autism Day is April 2nd. The Winchester Disability Access Commission, in partnership with the Town of Winchester, would like to celebrate this important Month by continuing with our "**Light It Up Blue**" Campaign. In order to celebrate World-Wide Autism Day in the downtown area, we will be decorating with Blue Lights. We welcome business partners and/or neighbors to do the same. With assistance from the Department of Public Works and local business partners, we will host a town-wide celebration on **April 2, 2019 from 7PM-9PM at the Lynch Elementary School at 10 Brantwood Road.**

If you are interested in participating in this event, here are several ways that you might help:

- Help us publicize the event by posting our flyer in your store/window.
- Place a **blue** light in your storefront window and/or office in April.
- Decorate your store window in **blue** to support Autism Awareness Day and Month.
- Donate refreshments or other items for the event on April 2nd. Past donations include light refreshments, trinkets, stickers, and flowers.
- Wear **blue** clothing on April 2nd and ask friends, family, co-workers, and staff to wear **blue** too.
- Light up your house with **blue** Lights.
- Attend our Community Event and Blue Lighting Ceremony on April 2nd at 7PM at the Lynch Elementary School.

We are indebted to our past community supporters: *Avanti, Book Ends, Catch a Falling Star, Chamber of Commerce, Dunkin' Donuts, Fells Hardware, Fen Yang House, Frame Shop, French Lessons, Fresh Touch Cleaners, Fuller Cup, Gloria's Pizza, Griffin Museum, Home, Jenks Center, La Patisserie, Mad About Shoe, New Look Optical, Nick and Lizzie's, Pairings, Pondview, Roast, Revolve, Scoopaloosa, Starbucks, Stop & Shop, Studio on the Common, Toscano's, Town Pantry, WinCam, Winchester Library, Winchester Optical, Winchester Shoe Hospital, and Winchester Town Hall.*

The Winchester Disability Access Commission thanks you in advance for your support, participation, and consideration for this important disability awareness event: THANK-YOU!!!
