

WINCHESTER HEADLINES – OCTOBER 2019

EEE/WNV

Winchester's current risk for EEE and West Nile Virus is low, but mosquito bite prevention is key!

Updates on EEE and WNV Risk Categories can be found on the [Department of Public Health website](#).

More information about [protecting yourself from mosquito bites](#) is also available online.

TICK TESTING

Tick testing is available to Winchester residents for a \$10 fee! Visit [TickReport.com](#) for more information
