## Town of Winchester Construction Notice Updated March 26, 2020

On March 25, 2020 the Governor's Office has recommended that cities and towns publicize and follow the protocols state agencies are using on construction projects that continue to move forward. Those policies are available at pages 4-7 of the Governors Orders but are attached for reference. Please note that the town has a street opening moratorium from November 15- April 15 every year. That is still in effect until April 15, 2020
