In such circumstances the individual and the Union specifically agree to seek any redress and remedy through the procedures of said Civil Service Commission and not through the provisions of this Agreement, excepted that, issues involving discipline may be subject to the procedures set forth in this article, up to and including final and binding arbitration pursuant to Section 6. No such matter may proceed to arbitration unless the involved employee has submitted a written waiver of his/her rights to appeal to the Civil Service Commission pursuant to Massachusetts General Laws, Chapter 31.

**Section 2:** For the purposes of this Agreement a grievance may be filed by either party, and it is defined as a complaint between the Employer and the Union and/or any Employee involving an alleged specific violation of a specific provision of this Agreement.

**Section 3:** A grievance must be presented in writing, setting forth in precise detail all the facts giving rise to the grievance and the precise section allegedly violated, within fifteen (15) calendar days from the time the Employee should have reasonably acquired knowledge of the incident giving rise to the contract violation, and must be processed in accordance with the steps, time limits, and conditions set forth below in this Article:

**a.** The Employee shall take up the grievance or dispute in writing to the Fire Chief within fifteen (15) calendar days of the occurrence giving rise to the grievance. The Fire Chief shall attempt to adjust the matter and shall respond within five (5) working days. The Fire Chief shall render a written decision and shall set forth his determination and reasons thereof and shall provide a copy of his decision to the grievant and Local 1564 IAFF. Such decision shall form a part of the grievance record. If the grievance is not satisfactorily settled at this step, it shall be appealed in writing within five (5) days after receipt of the answer of the Fire Chief by the Employee to the Town Manager.

**b.** The Town Manager or his designated representative and the Employee and their representative shall meet to discuss the grievance as promptly as possible and within ten (10) working days at a time designated by the Town Manager. The Town Manager shall give his answer to the grievance within ten (10) working days following the conclusion of the meeting. This appeal to arbitration shall be in accordance with the procedure and conditions set forth in Sections 4, 5, and 6.

**Section 4:** A grievance not initiated within the time specified shall be deemed waived. Failure of the Union to appeal a decision within the time limit specified shall mean that the grievance shall be considered settled on the basis of the decision last made, and shall not be eligible for further appeal.

Failure of the Town to respond within the specified time limits as set forth shall be deemed to be a negative response, and the Union may proceed to the next step. The above limitations may be waived by mutual agreement of the parties.

**Section 5:** No reprisals of any kind will be taken by the Employer against any party in interest or any participant in the grievance procedure by reason of such participation. Throughout this procedure any unit member is entitled to have representation (not to exceed one representative of Local 1564) from Local 1564 at each step. Local 1564 shall be notified of the hearings scheduled when under this grievance procedure.

**Section 6:** In the event either party elects to submit a grievance to arbitration, the arbitrator shall be selected according to and shall be governed by the following procedure:

**a.** The arbitrator is to be mutually selected by the Town and the Union. If the Town and the Union cannot agree within seven (7) working days after written notice of intention to arbitrate has been received by either party, the party demanding arbitration shall within ten (10) working days thereafter, upon written notice to the other, request the American Arbitration Association to provide a panel of arbitrators, said arbitrator then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

**b.** Each party shall bear the expense of its representatives, participants, witnesses, and for the preparation of representation of its own case. The fees and expenses (if any) of the arbitrator of the American Arbitration Association shall be shared equally by the parties. If either party desires a verbatim record of the proceedings it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

**c.** Notwithstanding anything to the contrary, no dispute or controversy shall be subject for arbitration unless it involves an alleged specific violation or a specific provision of this Agreement. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. The arbitrator shall arrive at his decision solely upon the facts, evidence, and contentions as presented by the parties during the arbitration proceedings.

**d.** The decision of the arbitrator shall be final and binding upon the parties hereto and upon any Employee or Employees affected thereby. No arbitrator shall have the power or authority (1) to make any decision which is inconsistent with applicable law, or (2) to make any award retroactive beyond fifteen (15) days prior to (a) the date on which the grievance was first discussed at Step a. (Section 3) or (b) if that step was bypassed the date on which the grievance was first submitted at a subsequent level.

The arbitrator's decision shall be in writing and shall set forth his reasons for the results reached. Copies of the decision shall be furnished to the Town Manager and to the Union. The decision of the arbitrator, if within the scope of his power and authority under this Agreement, shall be final and binding on the parties.

**e.** Unless the parties agree otherwise (1) each grievance shall be processed separately in any arbitration proceedings hereunder, and (2) attendance at the hearings before the arbitrator shall be limited to witnesses and authorized representatives of the grievant, the Union, and the Town.

**ARTICLE 22**

Included among those drugs by way of example are marijuana, cocaine, opiates, phencyclidine (PCP), amphetamines and methamphetamines. Possession of a controlled substance without a valid prescription or other legal authorization violates this Article.

An employee who is taking a controlled substance under a valid prescription should check with the prescribing medical professional to ensure that the medication will not interfere with the employee's ability to perform job functions safely and efficiently. Any questions or doubts should be raised with the Chief. Abuse of validly obtained prescription drugs will be treated in the same manner as abuse of alcohol. Abuse of prescription drugs in all other cases will be treated as abuse of illegal drugs.

**Section 2:** Any inconsistency as between said Policy and any terms and provisions of this Article and of this Collective Bargaining Agreement shall be resolved by application of this Article and of this Collective Bargaining Agreement. Any change in said Policy shall not be applicable to bargaining unit employees unless and until the Union has been afforded the opportunity to negotiate about such changes.

**Section 3:** The Union's agreement to this Article is not intended to, nor does such agreement impair or in any way waive, any individual employee's rights and protections under state or federal constitutions, state or federal laws or regulations including precedent applicable thereto.

**Section 4:** Any and all drug and alcohol testing and rehabilitation and monitoring of bargaining unit employees shall be undertaken and accomplished pursuant to the strictest standards of confidentiality with the utmost regard for employee reputation and public perceptions. Alcohol and drug testing shall not be utilized to harass or to otherwise punish employees.

**Section 5:** When, pursuant to implementation of the Policy, a bargaining unit employee experiences a positive alcohol or drug test, and where such positive test is the first in the past twelve months, such employee may be subject to discipline, not exceeding a one (1) work week suspension, and referred to an employee assistance or rehabilitation regimen for mandatory participation; however, participation in such regimen shall not result in any loss of work or income.

**Section 6:** When, pursuant to implementation of the Policy, a bargaining unit employee experiences a second positive drug or alcohol test within twelve months of a first positive result, such employee may be subject to discipline, including, without limitation, termination. Termination pursuant to the provisions of this Article shall not result in the loss of, or otherwise affect, accrual of such employee's retirement benefits through the date of such disciplinary action.

**Section 7:** Loss of a CDL shall result in assignment of the involved employee to non-driving, fire suppression/EMS duty. In the event that during an employee's current shift, the Town is advised that the result of such employee's BAC are in excess of 0.02% but less than 0.04%, then such employee shall not be permitted to drive fire department vehicles or apparatus for a period of twenty-four (24) hours after the taking of such sample. The first sentence of the penultimate paragraph on page 11 of the Foley Laboratories Policy shall not apply to this Article. A test result of trace amounts of cannabis metabolites at a level which is consistent with brief passive exposure shall be deemed not to be a positive determination for purposes of this Article.

**Section 8:** An employee who has tested positive for drugs or alcohol, and who complies with the provisions of this Article, and who then has five years with no further positive tests, shall, upon request, be entitled to have reference to the positive test expunged from his or her personnel record.

**Section 9:** The Town shall exercise any of its prerogatives pursuant to this Article and the Policy in a reasonable and non-arbitrary manner. Any discipline imposed pursuant to this Article shall be for just cause. Any and all Town conduct pursuant to this Article and the Policy, including but not limited to discipline imposed, shall be subject to the contractual grievance and arbitration provisions.

Any drug or alcohol testing shall be administered only during an employee's on duty status. Failure of compliance with any of the terms or provisions of this Article and/or of the Policy shall render any test results inoperative and shall result in rescission of any discipline with a fully retroactive make-whole remedy.

Members of the bargaining unit are subject at any time to random drug and/or alcohol testing while on duty. When notified, members will proceed immediately to the collection site. Random selection shall be by a system to be agreed to by the local in which selection is made by a neutral or blind criteria in which the identity of the member is not know as part of the selection process. No member of the bargaining unit will be required to be tested more than two (2) times in a period of twelve months per random selection. Further:

--Each random test, whether alcohol or drug, counts as one test. If both tests are given at once, it counts as two tests.

**Section 10:** Bargaining unit employees shall annually receive a stipend of \$1,000 for holding a valid commercial driver license, such stipend to be paid in weekly installments added to base pay. The Town will assume costs of license application and renewal.

**ARTICLE 24**

At the end of such posting period, the position shall be awarded to the most senior employee of rank submitting a bid, unless the Fire Chief determines that significant operational considerations require that the position be awarded to someone other than the most senior person bidding upon said vacancy. If the Fire Chief elects to bypass the most senior employee, the Union shall be informed of that fact and provided with a list of the significant operational considerations relied upon in deciding to bypass the most senior employee. The Fire Chief's bypass of the senior employee may be challenged by the Union pursuant to Article 21.
